A well-balanced horse and training program includes equal ratios of time in each gait, but many times a particular phase of a horse's development should skew in favour of an individual gait, depending on what issues arise. Most generally, trot builds strength while walk and canter keep that strength pliable and loose.

9 Best Cavaletti Exercises | Horse Journals

When schooling your horse over cavaletti in canter, you should set the poles about 1-1.5 feet high. That height helps makes sure that the horse takes the job seriously and focusses his brain on the approach. Here are some excellent exercises for you to ride in canter over cavaletti. Canter exercise #1. Place two poles approximately 10-11 feet apart.

How to Use Cavaletti for Dressage Schooling

Synopsis. This revised and updated version of Reiner Klimke's classic book on cavaletti work now has an extended section on gymnastic jumping by the author's daughter, Ingrid Klimke. First published over 30 years ago, the original information on schooling horses over cavaletti is still valid today but the book also encompasses the changing face and requirements of the modern sport horse.

Cavaletti: Schooling of Horse and Rider Over Ground Poles ...

Caprilli designed cavaletti to encourage the horse to learn how to adjust his stride, to work gymnastically and develop suppleness. A regular feature on the yard of the late great German Olympian, Reiner Klimke, his daughter Ingrid still uses them in the training programmes of her international dressage horses and eventers.

Cavaletti: How to set up and use? - Seriously Equestrian

Cavaletti training is a great way to add variety to the training routine, and it's fun for horses and riders. It has a gymnasticizing effect, develops the horse's basic paces, strengthens and improves fitness. Because the horse needs to push off the ground more purposefully, it naturally cultivates rhythm, impulsion, expression and cadence.

Cavaletti training: Ingrid Klimke's best exercises

Cavaletti exercises are a great opportunity for horses of all ages and levels to get in some gymnastic work. It strengthens a horse's muscles and helps to develop rhythm and suppleness. Regardless of your discipline - dressage, jumping or eventing - cavaletti exercises should be a part of every healthy horse's training program.
