Chakra Yoga Explained—A Full Guide to the 7 Chakras...

Chakra yoga is the practice of using yoga postures and controlled breath, known as pranayama, to cleanse, balance, and open the chakras, or energy centers, of the body. Postures associated with hatha yoga are often adopted in chakra yoga because they 're designed to keep the body aligned (or straight); namely, the spine — which is the key highway for the flow of chakra energy.

How To Use Yoga Poses To Awaken Your Chakras

The most direct way to use the chakras is to learn how each one is associated with an element in nature. As Alan Finger, founder of ISHTA Yoga, explains, the first five chakras are associated with the physical elements earth, water, fire, air, and ether (or space). The last two chakras are thought to connect us beyond the earthly realm, so they are associated with the elements of light and cosmic energy.
