Love and Responsibility is a book written by Karol Wojtya before he became Pope John Paul II and was originally published in Polish in 1960 and in English in 1981. A new, completely updated and original translation was published in 2013. Fr. Wojtya was originally inspired to write the book while being a professor at the Catholic University of Lublin, through the experiences he had in teaching young Catholics.

Love and Responsibility: Beyond the Sexual Urge. In our first reflection on Pope John Paul II's Love and Responsibility, we considered the personalist principle, which says that we should not treat other persons merely as a means to an end. The following is based on Dr. Sri's book, Men, Women and the Mystery of Love.

Love and Responsibility: Beyond the Sexual Urge

Pope John Paul II has since articulated a fresh understanding of marriage, love and sexuality which takes account of the dignity of the human person, and especially of women. In this exhaustive and scholarly assessment of his Christian anthropology, Mary Shivanandan examines the scientific data and the theological analysis that underlie these teachings on marriage and sexuality.

Love and Responsibility Karol Wojtyla (John Paul II)

Love and Responsibility | Karol Wojtyla (John Paul II) ...

As our opening contribution to this commemoration, our contributor explains the value of the book Love and Responsibility by the future Pope John Paul II, who before 1968, as Cardinal Karol Wojtyla, was a member of the preparatory Commission. His writings deeply influenced and strengthened Pope Paul VI in drafting his encyclical.

Love and responsibility: humanae vitae - 30 years. - Free ...

Its essence is "self-giving, the surrender of one's I" (p. 96). This is an interpersonal love that is deeper than friendship. "Betrothed Love" in Love and Responsibility is what John Paul II calls "spousal love" in the Theology of the Body, and its means is deepened immensely in his reflections on that topic.

A Summary of Karol Wojtyla's Love and Responsibility by ...

"Through the intercession of Mary Most Holy and the Holy Polish Pontiff," Pope Francis said, "I ask God to arouse in the hearts of all respect for the life of our brothers and sisters, especially the most vulnerable and defenseless, and to give strength to those who welcome and care for it, even when this requires heroic love."

Love and Responsibility: Beyond the Sexual Urge

Pope John Paul II's discussion of family life and sexual morality, first published in 1960, which defends Catholic tradition and draws upon physiological and psychological research regarding the sexual urge, love, chastity, and sexology and ethics.

Love and Responsibility: Beyond the Sexual Urge

"Edward Sri is a gifted teacher and an equally talented writer. This book shows why. He breaks open Karol Wojtyla's great text, Love and Responsibility, in a way that's clear, engaging and very practical for the challenges of daily life." -- Charles J. Chaput, O.F.M., Archbishop of Philadelphia. This updated and expanded edition of Edward Sri's classic meditation on Pope John Paul II's Love and Responsibility includes a new introduction, new chapters for single people and engaged couples, and the stories of people whose lives have been transformed by Pope John Paul II's foundational teaching on relationships. Fr. Karol Wojtyla (Pope John Paul II) published Love and Responsibility in 1960, revealing a fully formed philosophy of marriage—in which full union can only be achieved when each partner prioritizes the well-being and self-realization of the other. His analysis of the true meaning of human love is life changing and practical, shedding light on real issues between men and women. In Men, Women and the Mystery of Love, Edward Sri unpacks the contents of this great work, making it accessible to every reader. He emphasizes the down-to-earth nature of Love and Responsibility, giving readers actionable advice on issues such as: • How to determine if a relationship is one of authentic love or is doomed to failure • The problem of pornography • The meaning of friendship • How to achieve greater intimacy in marriage Study questions with each chapter make this a valuable resource not only for individual personal reading, but also for small group study.

Explains Pope John Paul II's departure from the traditional Christian viewpoint of the body as a threat to a person's spiritual nature, offering an integrated vision of the body and soul and a new understanding of the divine meaning of human sexuality and the beauty of love.

In his preface, Dr. Richard Spinello states, "Quite simply, Love and Responsibility is not an easy book to read." Karol Wojtyla's classic work is even more relevant today, but the language is often high and theoretical. Based on the new English translation of Love and Responsibility, Dr. Spinello's thoughtful commentary will enable you to discover the beauty of Saint John Paul II's timeless work, and through it, the magnificence of human relationships and our God-given need to give and receive love.

In 1960, Fr. Karol Wojtyla (Pope John Paul II) published a philosophy of personalistic marriage, in which each partner prioritizes the well-being and self-realization of the other. Edward Sri makes this life-changing work, "Love and Responsibility," accessible to every reader. He emphasizes the practical nature of the book, offering actionable advice on issues such as authentic love, pornography, friendship, intimacy and much more. This seminal analysis brilliantly sheds light on the mysterious dynamics between men and womenand challenges us to live out those relationships better."

In John Paul II on the Vulnerable, Jeffrey Tranzillo provides a lucid introduction to John Paul II's philosophical and theological understanding of the human person.

Pope John Paul II has had a profound theological and personal impact on Catholics and non-Catholics alike. In the scholarly tradition of Saint Augustine and Saint Thomas, he has found a new unity between faith and reason. The study of God, says John Paul, is also the study of humanity. He has come to vigorously insist on the rights and dignity of each human person, and on the divine importance of the family. John Paul teaches that the keystone of Christian living today is the communion of persons which is the family. ECovenant of LoveEconveys this central message of his pontificate. It explores the influence of Christ on the modern family, human intimacy, and sexuality and illustrates the Pope's response to the violations of that familial communion: materialism, sterilization, pre-marital sex, abortion, polygamy, adultery and lust, contraception and artificial conception, and homosexuality. Written for the layman as well as for clerics, students, and educators, this volume will enhance the understanding and appreciation of Pope John Paul II's teachings. ECovenant of Love,Epresents the extraordinary new way that John Paul II is using to present a new synthesis of the faith that can be the means of renewing the faith of all Christians and of bringing more people to Christ. It sets out his philosophical and theological design for every Christian who seeks a closer relationship with God—in the person of Christ, in the Church, and in the human heart.
