Torture to Her Soul (Monster in His Eyes #2)(11) J.M. Darhower. Once she's gone, I tilt my head back, resting it against the couch as I close my eyes. It's a lost cause. It's obvious, I think, but unacceptable. I can't seem to do anything right when it comes to her.

Torture to Her Soul (Monster in His Eyes #2) J.M. Darhower. Secrets are a funny thing. You keep them bottled up, hidden thoughts nobody else hears. It makes it hard for others to get close to you—for them to ever really know you—when you hold the deepest parts of yourself back, only letting people graze the surface.

You never know when somebody will hold you to your word ... Naz has enough darkness inside of him to rid the world of every stitch of light. But there's one he could never harm: Karissa. He taunts her with his touch, gets a thrill out of torturing her soul. But he's not the most dangerous one out there ...

Ignazio Vitale n'est pas un homme bon. Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

Teil 2 der Dark Romance / Mafia Romance Monster-Trilogie der USA Today Bestseller Autorin J. M. Darhower Sag es nicht, wenn du es nicht auch so meinst. Eine simple Regel, die sich Ignazio Vitale immer wieder sagt, die aber die Menschen scheinbar nicht verstehen. Man sollte sich vorsichtig ausdrücken, denn man weiß nie, wer einen beim Wort nimmt. Er selbst zum Beispiel. Er ist kein guter Mensch, das ist ihm bewusst. Es ist genug Dunkelheit in ihm, um der Welt das Licht zu nehmen. Doch es gibt eine Seele, der er niemals wehtun könnte. Karissa. Er weiß, dass sie ihn für ein Monster hält und vermutet, dass sie wahrscheinlich recht hat. Er reizt sie mit seinen Berührungen und genießt es, ihre Seele zu martern. Aber er ist nicht das einzige Monster, die Welt ist voll davon und er ist der Überzeugung, nicht das gefährlichste da draußen zu sein. Nicht mal annähernd. Gott helfe ihm, er liebt sie. Wirklich.

Crowning himself the Master of Baltimore after defeating his mother in battle, Gabriel, a five-hundred-year-old vampire, is forced into an uneasy alliance with his father, Eli, Master of Philadelphia and leader of the Watchers, vampires who have vowed to protect humans, when an ancient enemy targets the woman Gabriel loves. Original.

The third book in the Piper Lancaster series by D.G. Swank. A demon army is descending on Asheville, prepared to drag Piper and her friends to hell for defying Okeus, the god of war and hell, a threat her band of battered and weary defenders is nowhere near strong enough to hold off. To add to her worries, a crescent moon is destined to appear on her left palm that will compel her to kill Kieran Abel, the demi-god son of Okeus. Now that Okeus has discovered his long coveted human son, he will torture Piper for eons if she follows through. But she can't ignore her new inexplicable craving for demon souls. With every monster she kills, her power grows and she feels herself turning darker. Time is running out and Piper will do anything to protect those she loves, even if it means risking her own soul.

Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order. Content Note This book contains sexual scenes, kink/fetish content, horror elements, drug use, and depictions of hard kink/edgeplay. Reader discretion is advised.

In Julia Ember's dark and lush LGBTQ+ romantic fantasy Ruinsong, two young women from rival factions must work together to reunite their country, as they wrestle with their feelings for each other. Her voice was her prison... Now it's her weapon. In a world where magic is sung, a powerful mage named Cadence has been forced to torture her country's disgraced nobility at her ruthless queen's bidding. But when she is reunited with her childhood friend, a noblewoman with ties to the underground rebellion, she must finally make a choice: Take a stand to free

their country from oppression, or follow in the queen's footsteps and become a monster herself.

One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average French mind. With a calmness of spirit as perfect as though he were expressing an opinion upon the merits of the cigar he was smoking, a member of the Academy of Moral and Political Sciences said: “Really—I honestly believe that murder is the greatest human preoccupation, and that all our acts stem from it... “ We awaited the pronouncement of an involved theory, but he remained silent. “Absolutely!” said a Darwinian scientist, “and, my friend, you are voicing one of those eternal truths such as the legendary Monsieur de La Palisse discovered every day: since murder is the very bedrock of our social institutions, and consequently the most imperious necessity of civilized life. If it no longer existed, there would be no governments of any kind, by virtue of the admirable fact that crime in general and murder in particular are not only their excuse, but their only reason for being. We should then live in complete anarchy, which is inconceivable. So, instead of seeking to eliminate murder, it is imperative that it be cultivated with intelligence and perseverance. I know no better culture medium than law.” Someone protested. “Here, here!” asked the savant, “aren't we alone, and speaking frankly?” “Please!” said the host, “let us profit thoroughly by the only occasion when we are free to express our personal ideas, for both I, in my books, and you in your turn, may present only lies to the public.” The scientist settled himself once more among the cushions of his armchair, stretched his legs, which were numb from being crossed too long and, his head thrown back, his arms hanging and his stomach soothed by good digestion, puffed smoke?rings at the ceiling: “Besides,” he continued, “murder is largely self?propagating. Actually, it is not the result of this or that passion, nor is it a pathological form of degeneracy. It is a vital instinct which is in us all—which is in all organized beings and dominates them, just as the genetic instinct. And most of the time it is especially true that these two instincts fuse so well, and are so totally interchangeable, that in some way or other they form a single and identical instinct, so that we no longer may tell which of the two urges us to give life, and which to take it—which is murder, and which love. I have been the confidant of an honorable assassin who killed women, not to rob them, but to ravish them. His trick was to manage things so that his sexual climax coincided exactly with the death?spasm of the woman: 'At those moments,' he told me, 'I imagined I was a God, creating a world!’”

In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.
