Transgender Help Your Transgender Teen Grieve Transition —

March 8, 2016. When you gave birth to or adopted your little boy or little girl, you might not have ever expected them to one day identify as a different gender. Many parents, even those who consider themselves open-minded, are thrown for a loop when their teen comes out as transgender. Transgender can include identifying as the opposite gender (a biological boy identifying as female or vice versa), but it can also mean a person who is genderfluid, genderless, or otherwise not on the binary ...

How to Support Your Transgender Teen — Paradigm Treatment

Trans Lifeline provides live, one-on-one phone support, as well as large numbers of online resources for transgender and gender-questioning individuals. The hotline is open 24 hours a day. It is only guaranteed to be staffed from 10 a.m. to 4 p.m. Eastern time, but operators are often also available at other times.

4 Ways to Come to Terms with Being Transgender As a Teen —

Most transgender people are diagnosed with " gender dysphoria, " the distress that comes from the mismatch between their true gender and their sex assigned at birth. The amount of distress varies a lot from person to person and can also vary over the course of a person ' s lifetime. However, we do know that transitioning can make this stress go away. Embracing a child ' s true gender identity involves helping them transition both socially and medically.

A Parent ' s Guide To Supporting Transgender Youth | HuffPost

When a teenager declares he or she is transgender, parents fear that their child is confused and is choosing a life fraught with danger. I wrote this book to help parents of transgender teens gain an understanding of this complex subject. " "Helping Your Transgender Teen" begins with the basic information you and your family need.
